

Region 5 Of The Congressional Medal Of Honor Society

Representing the 11 Upper Midwestern States

Regional Headquarters 300 Peterson St. Soldiers Grove, WI 54655

Dear Friends,

Nearly two decades ago I was part of a group that was driven by passion and patriotism to erect a memorial to all of the Congressional Medal Of Honor recipients from the eleven states in region five. The person I called on to design this one-of-a-kind memorial was Roddy Dull. I spoke with Roddy about what I wanted to see on the memorial and then left the rest up to him. He and his company designed the memorial and fabricated all of the thirteen panels that proudly display the names of these courageous men who gave above and beyond the call of military service.

After designing and erecting the wall Roddy also designed the flag that represents region 5 of the Congressional Medal Of Honor Society and is used as our logo and in our correspondence today. He designed and erected a sign that dedicated our entire park to a local Medal Of Honor recipient Beauford T. Anderson and he also designed and fabricated a historic marker on the outer limits of the village that tells of Beauford T. Anderson's heroism.

I have known Roddy as a friend, a farmer, a father, a business man and a veteran. His creativity is driven by his compassion and respect for our military service men and women as well as his love of country.

If you are looking for someone or some company to assist you in erecting a Veteran's Memorial or any memorial I can't say enough about Roddy Dull, his wife Lorinda and their company Eternal Art Monument Company of Boscobel, WI. Their work is absolutely first class and the only thing that surpasses it is the friendship we have made while working together.

Sincerely

Congressional Medal of Honor Society Region 5
Coordinator

Roger Turnmire
